Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule F supporting Line 25 of your report discloses a coordinated expenditure(s) on behalf of "James D. Oberweis", which appears to have been made after the special-general election date. Please be advised that if a service is provided or a communication is aired in one reporting period and the payment is made in a later reporting period, the coordinated expenditure should be reported as a memo entry on Schedule F when the service is provided or the communication is publicly disseminated or distributed, and on a Schedule D if it is a reportable debt under 11 CFR §104.11. When the payment for the coordinated expenditure is made, the report should show a payment on Schedule F and the same payment on Schedule D, if applicable.

Please amend your report to provide further clarifying information regarding the coordinated expenditures disclosed after the special-general election date.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
